

VIDEO REFLECTION QUESTIONS/RESPONSES

For the video we just watched, please write a brief 100-150 word reflection using the following questions to help guide your responses. You DO NOT have to use all of the bullets to help guide your writing.

This is new information to me because...

I found this informational powerful because...

This seems challenging to me because...

I stopped and thought deeply on this because...

I would like to see these changes take place because...

This makes me think about...

This is especially important because...
